

**Delicious & Sons, Mediterranean Innovative Sauces & Condiments: Organic, Vegan, Gluten-Free, Vegetarian, Non-GMO & no added sugars.**

**In just two years, the brand is already in more than 600 stores, and in 10 countries: USA, Canada, UK, Russia, Holland, Belgium, Denmark, Spain, Germany, and Mexico.**

Delicious & Sons, the brand with the objective of normalizing and revolutionizing the concept of a quality food product: incredibly tasting Mediterranean products, easy-to-use, but healthy, while obtaining all of the quality certifications that today's consumer expects: organic, gluten-free, non-GMO, vegan and vegetarian, and no added sugars. Products with an attractive design and clear labelling.

**Delicious & Sons is a love story, an idyll between people and food, so simple and high quality, that generates happiness.**

It is the most recent project of Ricky Mandle and Mónica Navarro, two entrepreneurs united in their respect for small producers, each other and a passion for the Mediterranean and its cuisine. The Mediterranean itself is a lifestyle, an attitude, a positive way of thinking, taking pleasure in the little things.

Delicious & Sons is a brand in accordance with the times, acknowledging the need to normalize quality products and make them widely available in every aspect, to everyone regardless of their dietary choices or restrictions. It is without a doubt a range of products for those who enjoy eating, and for those who are concerned with what they eat.

Only the highest quality ingredients are selected to make these exquisite products. The spreads, made from organically farmed vegetables, liven up any salad, pasta, or sandwich, vegan aiolis with a creamy texture and unique flavor profiles, balsamic glazes suitable for any type of dish, tomato sauces for pasta that whisk you away to Italy, and pestos that enthrall the senses just opening the jar. These are just some of the mouthwatering products from Delicious & Sons.

Delicious & Sons has been featured in international press such as The New York Times, Martha Stewart, and The Wall Street Journal among others.

The flavorful and healthy products that make up this Mediterranean family are:

**Saffron & Orange Aioli:**

A traditional Mediterranean condiment, updated for today's tastes with a garlic base, aromatic oranges and touch of delicate saffron and turmeric. Ready-to-use, it is ideal on sandwiches, combines with vegetables, potatoes, as a dip for French fries, meats and fish. It is also delicious simply mixed in with your favorite rice dishes.
