About us

Our Brand

Be part of the movement for change. Lead purpose-driven sustainable food, creating a positive impact on people and the planet through inclusive products.

Because we are what we eat, we defend a strict code of ethics. The company has been certified in 2019 as a B Corporation. Delicious & Sons creates high quality, organic products that are honest and appealing. Our products are natural, certified organic, non-GMO, gluten-free, vegan, vegetarian and the majority of them with no added sugars.

Our delicious products are easy to use and even easier to love. You can taste the Mediterranean, the relaxed gatherings with friends. Lunches, dinners, improvised hors d'oeuvres. The warmth and flavor of that special place – and its people – are

in every bite. Delicious & Sons products are your everyday ingredients, the simple detail that elevates the daily routine into a unique, quality experience.

A palate steeped in tradition, Delicious & Sons is in accordance with the times, acknowledging the need to normalize quality products and make them widely available in every aspect. It is the food brand of the 21st century. A brand according to the current moment, with the need for. Normalize and bring the product of quality and flavor to the greatest number of people.

Organic Mediterranean Condiments

Aioli is a typical Spanish aromatic sauce and condiment. To a base of oil and garlic, we add citruses like orange and lemon and aromatic herbs such as basil and saffron. This creates a smoother and more Mediterranean flavor. Versatile and very flavorful, ready-to-use with meats, chicken, fish and rice dishes, and of course on all types of sandwiches. All natural, certified organic, non-GMO, gluten-free, vegan, vegetarian, egg-free and with no added sugars. Produced in Spain.

Organic Saffron & Orange Aioli

6.35oz/180g

This traditional sauce comes from the Mediterranean, updated for today's tastes, with a garlic-based sauce, rich saffron, aromatic oranges and a touch of turmeric. Ready-to-use, it is ideal on sandwiches, combines with vegetables, potatoes, meats, and fish, and is the perfect dip for french fries. It is also delicious simply mixed in with your favorite rice dishes.

Organic Basil & Lemon Aioli

6.35oz/180g

This aromatic and refreshing, ready-to-use sauce transports you directly to the Mediterranean. We interpret this typical Spanish sauce with aromatic basil and refreshing lemons. It is ideal on sandwiches, combines with vegetables, potatoes, meats, and fish, and is the perfect dip for french fries. Try mixing this with your favorite rice dishes.

Organic Italian Tomato Sauces

The key to our sauces is perfectly ripened organic tomatoes, grown in Italy, mixed with herbs and spices, and extra virgin olive oil. The result is a selection of all natural sauces, with an intense color and aroma. 100% traditional recipes that remind us of our favorite dish of pasta.

Versatile and ready-to-eat or to use as a base for other recipes, try with pasta, a parmesan recipe, lasagnas, pizzas, meatballs, chicken, and fish. All natural, certified organic, non-GMO, gluten-free, vegan, vegetarian, and with no added sugars. Produced in Italy.

Organic Puttanesca Sauce

18.70oz/530g

Following the traditional recipe, our sauce is made from flavorful organic red tomatoes ripened to perfection under the Mediterranean sun. This is a sauce typical of the south of Italy, with just enough heat to please all palates. It is ideal with pasta, especially the long-cut variety like linguini, spaghetti, and fettucine. It surprises in any lasagna, as well as in eggplant parmiggiana, meatball or chicken parmesan dishes and sandwiches. It is also perfect with meats, chicken, and fish. Made with extra virgin olive oil.

Organic Pesto Sauces

A pair of authentic Italian pestos made with certified Parmigiano Reggiano cheese, basil, and sun-dried tomatoes. They inspire an authentic journey to the Mediterranean full of aroma, flavor and texture. They are ideal not only with pasta, but also with all types of salads, fish, and meats. They are great with vegetables as a healthy dip full of intense flavor. As a spread they turn any sandwich into something irresistible. They are all natural, certified organic, non-GMO, gluten-free, egg-free, and with no added sugars. Produced in Italy.

Organic Basil Pesto Genovese

6.70oz/190g

It is the freshest tasting and most authentic pesto sauce made only with Italian basil, Italian pine nuts and Parmigiano Reggiano PDO cheese. Combines well with an infinite number of dishes such as pasta, sandwiches, vegetables, salads, as a dip, and with meats, chicken, and fish. And most simply, enjoyed with a piece of crusty bread.

Organic Sun-Dried Tomato Pesto Rosso

6.70oz/190g

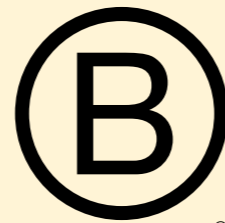

This lesser known pesto sauce is very authentic, tasty, intense, and pleasant to the palate. We make it with fleshy sun-dried tomatoes, authentic Parmigiano Reggiano PDO and Italian pine nuts. Works perfectly with an infinite number of dishes such as with pasta, sandwiches, vegetables, salads, as a dip, and with meats, chicken, and fish. And most simply, enjoyed with a piece of crusty bread.
